

April 2014

Each year the Buffalo Niagara Chapter of the Public Relations Society of America (PRSA) raises money for the May C. Randazzo Memorial Scholarship Fund through a silent auction at the annual PRSA Excalibur Awards dinner. This year's event will take place on Wednesday, June 25 at Buffalo Iron Works.

Would you consider a donation for this year's scholarship auction? Monetary donations and/or specific items would be much appreciated.

The scholarship fund was named for May Randazzo, who was the public relations manager at Graphic Controls, before she died in 1997 after a brief illness. The scholarships provide support for individuals planning a career in public relations and honors college students who best demonstrate the ideals that May so strongly believed were the keys to the future of the profession – leadership, community service and scholastic achievement.

Thank you for considering a donation to this year's auction.
